GFAV Bulletin

Hi Everyone

15th November 2010

Just a few items for everyone's information & attention

Small Pelagic Tags

We have been advised from GFAA that there is now a cost being implemented for the supply of the small purple pelagic tags. Whilst GFAV is absorbing a small percentage of the cost, **all Small Pelagic tags now requested by Clubs will be provided at a cost of \$1-00 per tag.** When requesting Tags from the State Recorder or Secretary, please ensure that you forward payment at the same time.

It is up to the Clubs as to whether they wish to pass on this cost to their members remembering that these tags are primarily used by our Junior & Smallfry anglers.

GFAV Vice President

We are pleased to announce that Craig Edmonds from the South Gippsland Game Fishing Club has accepted the role of Vice President following the nomination of Pam Willmott being withdrawn. This means that we now have a vacancy on the Executive committee, any interested members that would like to put their hands up to assist the committee can do so at the Council meeting in December or by advising the Secretary.

There is a vast amount of knowledge on the Executive & this would be a great opportunity for someone to learn the ins & outs of Game Fishing Administration.

GFAV Policy Document

We have revised the policy document with some minor changes. A copy is attached for your records.

Warrnambool Club Night

For those of you who don't have anything to do on Saturday evening, The Warrnambool Club have arranged a night with special guest speakers Dr Julian Pepperell & Paul Rogers. If you wish to attend, please contact Ashley Dance on 0418 513 943

Regards

Kevin Oates
GFAV Secretary
